

Private Provider & Third-Party Services

Keep your projects moving on time and on budget

When you're building across South Florida, each jurisdiction brings its own codes, timelines, and approval steps.

MTCI helps you stay ahead of the process with certified plan reviewers and inspectors who work efficiently within the Florida Building Code and local requirements.

The result? Faster approvals, lower carrying costs, and projects that stay on schedule from start to finish.

Solve what slows you down

- Long review queues that delay construction starts
- Gaps in scheduling between trades and inspections
- Limited municipal staffing that leads to project slowdowns
- Complex High Velocity Hurricane Zone (HVHZ) requirements and local code variations.

Build faster with expert support

- ✓ Certified plan reviewers and inspectors who understand the Florida Building Code and local processes, helping you avoid rework and resubmittals
- ✓ Same-day or next-day inspections that keep every phase on schedule
- ✓ Electronic plan reviews that streamline approvals and give you real-time visibility into project status
- ✓ Permit coordination and follow-ups that save time and simplify communication with city staff

HOW IT WORKS

01

Share your project details and timeline.

02

We assign certified staff, schedule inspections, and manage communication with local agencies.

03

You stay focused on progress while we keep reviews and permits moving forward.

Stay compliant. Stay on schedule.

Delays cost more than time. MTCI helps you stay on schedule, avoid rework, and build with confidence across South Florida.

Our flexible, code-compliant services are built around your timeline—not the other way around.
